Starting October 31st, MailChimp signup forms will use single opt-in. This means that when someone fills out your form, they're added to your list immediately. We still offer the double opt-in method for all forms, which includes an extra confirmation step that verifies each email address.

To use double opt-in for a list, check the box next to the list name. If you want a list to be single opt-in, leave the box unchecked. When you're done, click **Save**.
